“See to it that no one takes you captive through hollow and deceptive philosophy, which depends on human tradition and the basic principles of this world rather than on Christ.”

Colossians 2:8

Do you want to change your world for Christ?

- The Biblical Worldview Summit practically prepares participants to deal with the issues, temptations and pressures of University.
- Participants are equipped with the facts and skills they need to deal with humanism and evolutionism.
- The Summit applies the Lordship of Christ to all areas of life.

Those who understand the ideas that rule the world will have the opportunity to influence the world of ideas.

“Since today's young people will be tomorrow's leaders, it behoves us to shape the next generation into responsible, moral citizens who will lead our world aright. Summit Ministries is an important resource that can accomplish this vital task.”

Dr. Ollie Gibbs, Vice President Association of Christian Schools International.

Is Revival the prayer of your heart?

Summit Ministries focuses on life changing ideas. Everyone has a “worldview”, a way of interpreting everything that happens in the world. **The Bible has an explanation for the universe**, but so do Secular Humanism, Evolutionism and the New Age Movement. Each of these worldviews is founded on ideas. **Ideas have far reaching consequences.**

We see much of the world becoming worse because the Church is not practically involved. We need to be the salt of the earth and the light of the world. **We need to show the world that the Christian Faith makes a positive difference** in every area of life.

It is time to reclaim our Christian heritage and to demonstrate to the world that the Bible has the best answers to society's most pressing problems.

To do this, we need to **understand the times** in which we live and learn to effectively defend, and clearly communicate, the Gospel to a needy world.

“My own son was one of those who came face to face with a Biblical worldview at the Summit. It was by far one of the most significant conferences he has ever attended. The impact will affect Sean the rest of his life.”
Josh McDowell

"I consider Summit Ministries to be one of the very best resources available, and I don't say that lightly..."
Dr. James Dobson, Focus on the Family
