

Dear Friends and Family

Greetings in the wonderful Name of our Lord Jesus Christ.

Our Mission team has had some really incredible ministry opportunities. Currently we are in a far out, deep rural area ministering in a very strong Muslim region of Eastern Malawi among the Yao tribe. This tribe is notorious for their involvement in the Arab slave trade and for their warring nature. The Christians in this area have been persecuted harshly by the Muslims; recently two churches were burned down.

### **Through Sickness and...un-Health**

Renee and I are still trying to recover from a relentless bout of flu that has been troubling us for the last 3 weeks. We are definitely on the tail end of this now, but it is still stubbornly refusing to submit to the handfuls of medication that we have been throwing at it.
