

No, I was not shocked to see Clint Eastwood's political agenda, or Hollywood's re-writing of history, nor was I shocked at the results of an un-saved government's mis-rule.

Nevertheless, it is only right for us to challenge these popular icons and idols with film reviews, through e-mailings, on webs, and in magazine articles. We are involved in a world war of worldviews and the battle is for the hearts and minds of the next generation.

The problem is many people seeing the film, may assume that it is reality.

Of course we do not put any trust in princes, or human schemes and efforts. Our trust is in the Lord our God alone. We seek His Kingdom first. The Great Commission is our supreme ambition.

May the Lord continue to bless, guide and lead you into all truth.

Yours for the fulfillment of the Great Commission.
